

# Best parking options at Camp H.M. Smith

**NOTE:** The doors usually utilized by Camp Smith students to enter the MARFORPAC Bldg classrooms – the ones located near the loading docks – are now LOCKED.

*It is best to park in one of three areas:*

- ① Option 1:** Park along the FRONT of the MARFORPAC Bldg, enter through the main bldg entrance, turn left to get to classroom wing. **CAUTION:** This only includes the PARALLEL parking spots along the street fronting the bldg, NOT the restricted parking lot directly in front of the main entrance. That area is restricted 24 hours/day, 7 days/week.
- ② Option 2:** Park in the small parking lot directly behind the classroom room (behind the loading dock), then walk all the way around to the front of the bldg, using the main entrance to access classroom wing. **NOTE:** Even though the parking spots BEHIND the bldg are marked "restricted," the Commanding Officer has given evening students permission to park there during class.
- ③ Option 3:** Drive all the way around to the back side of the MARFORPAC Bldg, park in one of the lots on the hill, then use the pedestrian bridge (★) connected to the back of the bldg. Enter the bldg, turn right, walk the entire length of the hallway, take stairwell down to the first deck. Classroom wing will be to your right.
