

BASE REGISTRATION PROCEDURES FOR DOGS & CATS LIVING IN GOVERNMENT QUARTERS

First:

DOGS ONLY-Obtain a Honolulu City & County Dog License from Satellite City Hall. The closest Satellite City Hall is in Enchanted Lake Shopping Center in Kailua (261-8575) or in Pearl Ridge Mall Uptown (483-3405). A list of other Satellite City Halls may be obtained at:

<http://www.honolulu.gov/csd/satellite/>

If your pet has been spayed or neutered, the VTF can provide you with a certificate of sterilization. This will reduce your license fees to \$10 (from \$28.50) as of July 2008. You need to make an appointment to see the veterinarian and bring your pet's medical records.

Second:

Your pet (both cats and dogs) must have evidence of a recent Rabies and Distemper vaccination and a microchip. These forms can be provided by the VTF.

Third:

Once you have all of these requirements, please call the Game Warden for Base Registration at 257-1821. The Game Warden is located in Building 3099 "The Game Warden's Shack". You will find the building across the flight line, take the first left, and it is the small building with kennels attached at the rear, located behind EOD.

You will need to bring with you:

Your leashed dog or your caged cat

Your pet's medical records

Your license receipt from Satellite City Hall (dogs only)
